

NOTICE

New Horizon Family Health Services values its patients and many business partners. The positive feedback and kind considerations over the years have been greatly appreciated. However, please be advised our **STANDARDS OF CONDUCT** do not allow employees, contractors, agents, officers and members of the Board of Directors to accept gifts or items of value from patients, vendors, solicitors or others seeking business from New Horizon Family Health Services.

Thank you for your understanding in this matter.

Quality Health Care for All People.
